"Thirsty, Meeting Jesus at Your Deepest Need" by Amy Nappa

What does it look like when a woman encounters God? Does He have a to-do list for her? Or does He encourage her with kindness and offer a gift of restoration? Meet the Woman at the Well—a woman thirsty for living water. Meet Jesus at the same well and find out what He did to satisfy the woman's thirst. This book looks at issues close to a woman's heart, such as a growing relationship with God, balance, and identity.

"Transformation: Letting God Change You From the Inside Out"

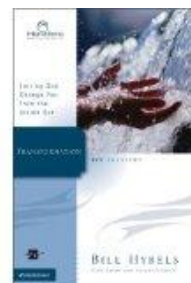

by Bill Hybels

Team up with God for the project of your life. Right now, God is ready to transform your life. But He wants your partnership. The strength and guidance for transformation come from Him—but the “green light” can only come from you. Transformation will help you recognize and cooperate with God’s transforming influence in your life. Each of the 6 sessions focuses on a critical area He has targeted for change and growth. You’ll learn to respond to God’s guidance and keep growing closer to Him.

Dad's Coaching Clinic: Turning Dads into Great Dads

In an era where fathers aren't necessarily seen as positive role models, this study seeks to help dads acquire the skills necessary to move from mediocrity to extraordinary in their role as fathers. Great Hall of Fame coaches went through strategic preparation in order to be successful coaches. The same goes for successful dads—they must go through a preparation phase in order to establish a successful plan for raising their family. During the 7 weeks, members will learn 16 points to enable them to build strong and lasting bonds with their wives and children, creating a rich legacy for generations to come.
